[Handwritten Signature]

At the time the disclosure or disclaimer statement is delivered to you ("the buyer"), you are required to date and sign a written acknowledgement of receipt on the disclosure or disclaimer statement which shall be included in or attached to the contract of sale.

Section 10-702 further provides that a buyer who receives the disclosure or disclaimer statement on or before entering into a contract of sale does not have the right to rescind the contract based upon the information contained in the disclosure or disclaimer statement.

You are hereby notified that, in certain circumstances, you have the right to rescind your contract with the seller if the seller fails to deliver to you the written property condition disclosure or disclaimer statement. Section 10-702 provides that a buyer who does not receive the disclosure or disclaimer statement on or before entering into the contract has the unconditional right, upon written notice to the seller or seller's agent:

Your rights as a buyer under Section 10-702 may not be waived in the contract and any attempted waiver is void. Your rights as the buyer to terminate the contract under Section 10-702 are waived conclusively if not exercised before:

- (i) Closing or occupancy by you, whichever occurs first, in the event of a sale; or
- (ii) Occupancy, in the event of a lease with option to purchase.

The information contained in the property condition disclosure statement is the representation of the seller and not the representation of the real estate broker or sales person, if any. A disclosure by the seller is not a substitute for an inspection by an independent professional home inspection company. You should consider obtaining such an inspection. The information contained in a disclosure statement by the seller is not a warranty by the seller as to the condition of the property of which condition the seller has no actual knowledge or other condition, including latent defects, of which the seller has no actual knowledge. The seller is not required to undertake or provide an independent investigation or inspection of the property in order to make the disclosures required by Section 10-702. The seller is not liable for an error, inaccuracy or omission in the disclosure statement if the error, inaccuracy or omission was based upon information that was not within the actual knowledge of the seller or was provided to the seller by a third party as specified in Section 10-702(i) or (j).

You may wish to obtain professional advice about the property or obtain an inspection of the property.

The undersigned buyer(s) and seller(s) acknowledge receipt of this notice on the date indicated below and acknowledge that the real estate licensee(s) named below have informed the buyer(s) and the seller(s) of the buyer(s)' rights and the seller(s)' obligations under Section 10-702.

SELLER ACKNOWLEDGES RECEIPT OF BROCHURE "EPA & HUD REAL ESTATE NOTIFICATION AND DISCLOSURE RULE, QUESTIONS AND ANSWERS.":

If the Property was constructed prior to January 1, 1978 or if the date of construction is unknown, as indicated by Seller's initial above, Seller and Buyer mutually agree that the requirements of the Act shall apply to the sale of the Property. Seller and Buyer acknowledge that the real estate brokers and salespersons involved in the sale of the Property have no duty to ascertain or verify the date of construction and assume no such duty or responsibility.

Seller and Buyer agree and represent and warrant, each unto the other, that no binding and enforceable contract shall be deemed to exist or to have been formed unless all of the requirements of the ACT were fully satisfied and complied with prior to the execution of this Contract by Seller and Buyer. Seller and Buyer represent and warrant that each intended, as a material term of the offer and acceptance, that the requirements of the Act be fully complied with as an express condition of the formation of a binding and enforceable contract by and between the parties.
